All newsletters and information sent home to date is available on the website also.

Hi Parents. Thank you for all the offers of help and donations that have come in this week. Things are looking a lot better now however we are still short of parents for a number of days and nights and we can not go without sufficient supervision. I have put the timetable below as it stands. As you will see some of these are to be confirmed. I have left a mark where we still need more help.

Below is an updated list of items being donated and help offered. I still haven't received forms from a number of students/parents so I am unsure about their availability. I would appreciate all parents signing the reply form below and returning this to school on Monday so I know this letter has been received and parents know what they have offered. Alternatively you can reply to this letter by commenting via the reply form on the Marahau Camp page of our website. I would really appreciate parents looking at the website to keep updated with camp information. I will send out a final list towards the end of next week.
